Impact the future!

Connecting Point is seeking a value-driven, innovative, and imaginative Chief Operating Officer to assume a collaborative leadership role at Connecting Point. As a key member of the Executive Team, the COO will work closely with the Executive Director on directing and creating operations at Connecting Point. We are seeking an individual that has experience with rapid organizational growth and program development. A successful applicant is one that can think out of the box to solve problems and has exceptional communication skills.

About Connecting Point

Connecting Point is a regionalized public agency dedicated to providing programs and services that promote the health and independence of the people of the communities we serve. Connecting Point is funded with multi-county, state, and federal dollars and is currently experiencing a significant growth phase.
